

General Zoo Snooze Itinerary

The following is a general Zoo Snooze itinerary, although times and activities may change due to the topic of the Zoo Snooze. The schedule may also change upon the discretion of a Zoo Educator, or Zoo Snooze Instructors, due to special events in the Zoo, inclement weather, and other unforeseen time constraints.

7:00 p.m.	A Zoo Snooze instructor will meet your group at front gate to move in belongings and vehicles inside the gate
7:15 p.m.	General welcome, Introductions, and Rules for the event.
7:15-9:00 p.m.	Live Animal Presentation, Moonlight Safari (tentatively Nutrition Center, Herpetarium, and Animals of the Night)
9:00-10:00 p.m.	Educational Program / Theme-related Activities
10:00 p.m.	Snack, Prepare for Bed, Movie Selection, and Lights Out

We estimate the program to end at 10:00 pm, or shortly thereafter. At that time the Zoo Snooze Instructors will retire to the Educational Department to sleep; group teacher/chaperones are responsible for their group. If the Zoo Snooze is for kids-only, the Zoo Snooze Instructors will remain in the room to chaperone children.

6:45-7:00 a.m.	Zoo Snooze Wake-up
7:00-7:30 a.m.	Get Dressed, Pack Up and Move Cars
7:30-8:00 a.m.	Breakfast
8:00-8:45 a.m.	Morning Tour
8:45-8:50 a.m.	Fill out Program Evaluations and Release into the Zoo
